

Fighting For Love

Matt Goss

Fighting For Love, (love)

Fighting For Love, (love)

Fighting For Love, (love)

Fighting For Love, (love) My lovelies dry your eyes, gotta feel my words inside (you will feel, nothing real) ..
we will be alright.

We could go through harder times, I would stand right here (right fine) .. for us .. because i trust .. we will be
alright.

Cause I was made for you, and you were made for me, like cherry blossom in a New York street. Nothing is
more beautiful, than fighting for love .. even through the hard times

Nothing is more beautiful, than fighting for love .. even through the hard times

Gonna fight for love

Gonna fight for love

yeah we will, yeah we will, ... we will be alright. Do I wanna take it slow (NO) .. cause i already know .. you
are love .. so we are love .. and we will be alright

And even through the darkest times, my love, your still my life

(LOOK) .. I love you baby .. and we will be alright

Cause in the law of love, no matter what you do, you don't choose true love, it chooses you .. that's why Nothing
is more beautiful, than fighting for love .. even through the hard times

Nothing is more beautiful, than fighting for love .. even through the hard times

Gonna fight for love

Gonna fight for love

yeah we will, yeah we will, ... we will be alright. Gonna feel, gonna love, gonna trust, gonna be
Gonna see that your right for me

Yeah I'm gonna believe, I'm gonna be free

We're gonna be free baby Gonna lie, gonna feel, gonna hold, gonna heal

Gonna give, gonna take, gonna love through my mistakes

Oh baby

Gonna feel, gonna love, gonna trust, gonna be

Gonna see that your right for me

Gonna see your right for me

I'm gonna be free Cause I was made for you, and you were made for me, like cherry blossom in a New York
street.

whoah whoah oh ..

Nothing is more beautiful, than fighting for love .. even through the hard times

Nothing is more beautiful, than fighting for love .. even through the hard times

Nothing is more beautiful, than fighting for love .. even through the hard times Gonna .. fight for love (fighting
for love) .. even through the hard times

Nothing is more beautiful, than fighting for love, (for love)

Can't lose you baby
