Falling into Ashes

Dommin

I just don't know if it's the time
For me to just give up and leave this all behind
But lately things just don't make any sense
And I feel we're just the victims of the worst end circumstanceThe end is near nowMy world is falling into ashes
And living in the past is all I that I can do
And I'm frightened
Searing for the light and I don't know what I am holding onto
Pay no attention to the sky
Crumbling all around us look into my eyes
And take this time to reminisce
And savor this last and final melancholy kissThe end is here nowMy world is falling into ashes
And living in the past all that I can do
And I'm frightened
Searching for the light and I don't know what I am holding ontoThe end is near now
The end is here now baby
The end is here now
The end is here now baby
Here now baby
My world is falling into ashes
Living in the past is all that I can do
And I'm frightened
Nowhere is there light
And I don't know what I am holding ontoWhat am I holding onto
