

Legendary

Daya

Oh, I don't wanna try it
Cause I'm scared that I'm gonna like it
And I can look but I'm not gonna buy it
Cause my heart, heart is on a diet But you give off something so cool (you do, you do)
So I guess I'm bendin' my rules (for you, for you) Let's pretend that it's a holiday-ay-ay
Boy, you know it's only temporary
Just a kiss and I'm gonna blow away-ay-ay
Like a valentine in February
Up all day and up all night
We're not wastin' our precious time
We know it's never goin' past today so
Why not make it legendary? No, you can't get a remix
To testify about all the kisses
When it's gone you know you're gonna miss this
At least you'll check, check me off your wishlist Yeah, I give off something so cool (I do, I do)
And I'll give a little to you (to you, to you) Let's pretend that it's a holiday-ay-ay
Boy, you know it's only temporary
Just a kiss and I'm gonna blow away-ay-ay
Like a valentine in February
Up all day and up all night
We're not wastin' our precious time
We know it's never goin' past today so
Why not make it legendary? Hurry up, before you're out of time
(So come on boy hurry up)
Better do it 'fore I change my mind
(Before I don't give a what) Hurry up before you're out of time
(So come on boy hurry up)
Better do it 'fore I change my mind
(Before I don't give a what) Let's pretend that it's a holiday-ay-ay
Boy, you know it's only temporary
Just a kiss and I'm gonna blow away-ay-ay
Like a valentine in February
Up all day and up all night
We're not wastin' our precious time
We know it's never goin' past today so
Why not make it legendary? So, come on, boy, hurry up
Before I don't give a what
So, come on, boy, hurry up

So why not make it legendary?
