Lover's Prayer

Randy Newman

Don't send me no young girl to love me
With their eyes shinin' bright
All the young girls are afraid of me
Send me a woman tonightDon't send me no hand-holdin' baby
'Cause I been with babies before
Don't send me nobody that's crazy
Don't send me no young girls no moreI was entertaining a little girl in my rooms, Lord
With California wines and French perfumes, Lord
She started to talk to me about the war, Lord
I said, "I don't want to talk about the war"Don't send me nobody with glasses
Don't want no one above me
Don't send nobody takin' night-classes
Send me somebody to love me
