

Singing The Praises Of Finer Things

China Crisis

Steal a kiss
From your lips I steal a kiss
And want for this happiness to fool me
Sea deep blue eyes
Sea deep deep big blue eyes
And want for you always to see meA trip to the heavens on angels' wings
Gabriel plays and angelica sings
Singing the praises of finer things
A trip to the heavens on angels' wingsSweet treasured time
Yuor tiny hand held in mine
I live for this world of our makingA trip to the heavens on angels' wings
Gabriel plays and angelica sings
You by my side who could ask for more
A smile on my face that says it allSleep beauty sleep
Safe in arms safe to sleep
And want for you always to need meA trip to the heavens on angels' wings
Gabriel plays and angelica sings
Singing the praises of finer things
A trip to the heavens on angels' wingsA trip to the heavens on angels' wings
Gabriel plays and angelica sings
You by my side who could ask for more
A smile on my face that says it allSteal a kiss
From your lips I steal a kiss
And want for this happiness to fool me
