Red Moon

Vanderveen

Under a red moon,
Always laughing
Always entertaining everything she says
Someone ask me
If you could have love
Would you have it with the one you have it with?Oh, could you make it up somehow?
Oh, could you make it up somehow?
I'm already gone, right to the bottom, it seems.Under a red moon,
Always trying
Always feeling like we haven't ever met
Someone asked me
Answer me true,
If you had the chance would you do it all again?
Oh, could you make it up somehow?
Oh, could you make it up somehow?
I'm already gone, right to the bottom, it seems.Oh, could you make it up somehow?
Oh, could you make it up somehow?
I'm already gone, right to the bottom,
I'm already gone, right to the bottom, it seems.And empty is the biggest worry
Now to me, or maybe not at all
I live without you knowing for too long
You're never knowing for too long
And empty is the biggest worry
Now to me, or maybe not at all
I live without you knowing for too long,
For too long . . .
Oh, could you make it up somehow?
Oh, could you make it up somehow?
I'm already gone, right to the bottom, it seems.
Oh, could you make it up somehow?
Oh, could you make it up somehow?
I'm already gone, right to the bottom,
I'm already gone, right to the bottom,
I'm already gone, right to the bottom, it seems.
