

# No Good Advice (Edited)

## Girls Aloud

Daddy told me  
Look into the future  
Sit at your computer  
And be a good girl  
Momma said remember  
    Your a lady  
    Think before you play  
And straighten your curls  
Well everybody's talkin'  
    Like I'm crazy  
    Dangerous and lazy  
    Girl with no soul  
    But I've seen it all  
    From where I'm hiding  
Baby 'cause I'm sliding out of control  
Here I go out the door  
    Crankin' the stereo  
    I think a finger  
To the world below oh  
Here I am dirty hands  
    I don't give a damn  
Shut your mouth cause it might show  
I don't need no good advice  
    I'm already wasted  
    I don't need some other life  
    Cold and complicated  
    I don't need no Sunday trips  
    Tea and sympathizing  
    I don't need no special fix  
    To anesthetizers me  
    Daddy always told me  
    Remember to leave the buzz till later  
Don't you drop down  
Momma said ill never get  
    To heaven hanging till 11  
With the wrong crowd  
Everybody's talkin'  
    Like they know me  
Just another phony girl about play  
    But I dig the music  
    And I'm making baby  
And I'm breakin' into your brain  
Here I go out the door  
    Cranking the stereo  
    I think a finger  
To the world below oh  
Here I am dirty hands  
    I don't give a damn  
    Shut your mouth  
'Cause it might show  
I don't need no good advice  
    I'm already wasted  
    I don't need no other life  
    Cold and complicated  
    I don't need no Sunday trips
