

Head Carrier

Pixies

Head carrier
Head carrier
Hey, Rusty, come hold Luther's hand
It's deja-vu, it's not like I planned
Looks like I'm going where I've already been I'm going down the drain, again Head carrier
Head carrier
Is this really worth it?
I got a prison cough
A three-headed monster cut Denny's head right off
You can't be too chill
You can't be too zen I'm going down the drain, again
I'm going down the drain, again
I'm going down the drain, again Up the hill to have him killed and he still hadn't died
He talked a while and walked six mile down to riverside Head carrier
Head carrier
