

# Lord of the Thighs

[Danzig](#)

Down to who knows who just to socialize  
I'm waitin' for my girls, when you caught my eyes  
You got your ways to make a man  
Honey, you got to understand  
I'm your man, child, Lord Of The Thighs  
Well, well, Lordie my God  
What do we got here  
She's flashin' 'cross the floor  
Make it perfectly clear  
You're the bait and you're the Someone bound to take a look  
I'm your man, child, Lord Of The Thighs  
You must have come here to find me  
You've got the look in your eyes  
Although you really don't mind it  
I am the Lord Of The Thighs  
You must have come here to find me  
You've got the look in your eyes  
Although you really don't mind it  
I am the Lord Of The Thighs
