

Everything's Broken Down

Larry Hosford

Look at my House
what do you see?
It's a 20 by 30 foot mockery

Ah what a home she'll be
Everythings broken down

And look at my heart
What do you see
It's the scene of a crime
In the first degree
I've got a memory

But everythings broken down

Everythings broken down
Everythings broken down

If wishes and words
could make a man rich
I'd be paintin' the town

But I get lost when I'm down
When I drink I get found
If you'll listen to a fool
I'll buy a round

But everythings broken down

Look in my eyes
What do you see
It's a pretty good case of baloooney
I got a bad desease

Everthing is broken down

Look in my world
what do you see
If heartache was money
I'd live for free

(never worried me?)

Everythings broken down

Everythings broken down

Everythings broken down

If wishes and words
could make a rich
I'd be paintn' the town

But I get lost when I'm down

When I drink I get found

If you'll listn' to a fool

I'll buy this round

Everythings broken down
