

Ride The Train

Alabama

Orange Blossom Special
The Wabash Cannonball
The Chattanooga Choo-Choo
This hobo's seen 'em all
I've watched the Sante Fe
Lay her smoke against the sky
And listen to old number three rollin'
Through the night
Ride the train, ride the train
Anywhere I'm going I ride trains
Sleepin' in a boxcar when it rains
Ride the train, ride the train
Southern Pacific
The Overland Express

And up ahead the coal cars of West
Virginia's best
And Oklahoma's Frisco
The biggest one of all
I've listened to the Silver Steed's
Lonesome midnight call
Ride the train, ride the train
Anywhere I'm going I ride trains
Sleepin' in a boxcar when it rains
Ride the train, ride the train
Ride the train
Trains
