

Memories Are Made of This

[Dean Martin](#)

Sweet, sweet memories you gave-a me
You can't beat the memories you gave-a me Take one fresh and tender kiss
Add one stolen night of bliss
One girl, one boy
Some grief, some joy Memories are made of this Don't forget a small moonbeam
Fold in lightly with a dream
Your lips and mine
Two sips of wine Memories are made of this Then add the wedding bells
One house where lovers dwell
Three little kids for the flavor Stir carefully through the days
See how the flavor stays
These are the dreams you'll savor With his blessings from above
Serve it generously with love
One man, one wife
One love through life Memories are made of this
Memories are made of this
