New York City

Sandy Bull

New York City (3x)
Hey girl let me take you down to the place
play girl put a smile on your pretty face
hey girl from Chicago to London town
(from Chicago to London town)
good tight is a new stand of mine
baby let this thing of my cast just behind
this is a place to be
New York city
come on now
CHORUS:
let's come to the place where the boys are pretty
New York city (2x)
If you want the best come to
New York city (2x)
come on now
let's go to the place where the girls are pretty
New York city (2x)
if you want the best come to
New York city (2x)
come on now
New York city (3x)

hey you let us walking in the central park
hey you, you should not walk inside when it's dark
baby if you come you'll be having fun
(if you come you'll be having fun)
people of all nations all around
knocking when your ordain kick you when you down
this is a place to be
New York city
come on now
CHORUS
the clock keeps turning
don't hesitate
you set it fool
you can't change your faith
can you feel it (4x)
CHORUS (2x)
