

# In A Dream

Gretchen Parlato

lost in you or lost in me?  
i'm tossed into this endless sea  
i'm lost in a dream is it you or is it me?  
can't help but want this fantasy  
i'm lost in a dream helplessly sinking  
and hopeless when thinking  
our love is more than moments  
fading to memory thoughts of you drift far from me  
i'm drowning in my endless sea  
i'm lost in a dream is it you or is it me?  
it's cost my heart just let me be  
lost in a dream
