The Source

Liz Vice

Come, Holy Ghost
Our hearts inspire
Descend upon us from above
Source of the old prophetic fire
Fountain of life
Fountain of loveCome, Holy Ghost
By you we see
The prophets wrote and spoke
In you we will believe
Unlock the truth
Yourself the key
Unseal the sacred book
'Til Jesus we receive
Expand thy wings celestial dove
Brood over our souls night
Replace it with your love
On our troubled spirits move
And let there now be light
Replace the lies with truthCome, Holy Ghost
So Jesus we can know
If you within us shine
If you within us flow
And we sing with all the saints below
The depths of love divine
That the world may know...
We are yours!
We are yours!
We are yours!
We are yours!
