A.U

Cock Sparrer

Advisory - the following lyrics contain explicit language:

A U Come outside
I'm fed up with you looking
Like the cat who got the cooking
I said A U
You and me outside
You've got the kind of face
The face of a git
And I really want to hit it
I said A U
You and me outside
Coz I've been watching you
Chatting up all the girls
And I'm fed up with you
And I've drunk enough[Chorus]
Someone's gonna get a slap tonight
Someone's gonna get whacked tonight
Someone's gonna get a smack tonight
From me
And it's gonna be youA U You look like a poof
How loud do I shout it ?
Tell me what you're gonna do about it ?
A U You and me outside
You're a bloke who's heading for one
A real fist magnet if ever I saw one
A U You and me outside
I saw you kiss that girl
Over in the corner
It's not jealousy
It's just you and me[Chorus][Bridge]
You've got too much dosh, you're everything I hate
You talk all posh, you make me so irate
You're so cock sure, you're a liability

I told you before, it's not jealousy
It's not jealously
It's just you and me[Chorus]
