America

Kiley Dean

I knew as soon as I opened my eyes
I'm overdue for some free time
Don't really feel like working today
Today I feel like taking a ride
Taking in the country side
So I call you up to sayI'm already up (I'm up)
I wanna see America
Get up and pack your clothes
Let's get on the open road (let's go)
Do you wanna ride
With me on the 35
No where's the place to go
Let's get on the open roadThe only things you need to bring
Are your CDs and your sunscreen
A change of clothes and an open mind
We may be headin' to LA
Maybe the San Francisco Bay
But I cant take the proper lane
Until you sayI'm already up
I wanna see America
Get up and pack your clothes (oh yeah)
Let's get on the open road
Do you wanna ride
With me on the 35
No where's the place to go (let's go)
Let's get on the open road (open road)I'm already up
I wanna see America
Get up and pack your clothes
Lets get on the open road
Do you wanna ride (let's ride)
With me on the 35
No where's the place to go
Let's get on the open road
(Let's get on the open road)Don't need no reservations
All we need is filling stations
On this here ride we're taking (oh)
Come on the road is waiting
Grab your bag
Let's go we're shaking (it's shaking)

You know you need vacation
(You know you need to get away)I'm already up
I wanna see America
(I wanna see America)
Get up and pack your clothes
Lets get on the open road (oh)
Do you wanna ride (ride)
With me on the 35 (on the 35)
No where's the place to go
(Let's go)
Let's get on the open road
(The open road, the open road)I'm already up
I wanna see America
(I've been up)
Get up and pack your clothes
Lets get on the open road
(The open road is here for us)
Do you wanna ride
With me on the 35
No where's the place to go
(And go)
Let's get on the open roadAll the things we facing
In the world today (hey)
I gotta say
Ain't no place like America
America (the open road)
Come on now
All the things we facing
In the world today
(No where's the place to go)
I gotta say
Ain't no place like America
America (oh, yeah)I'm already up
I wanna see America
Get up and pack your clothes
Lets get on the open road
Do you wanna ride (ride)
With me on the 35 (on the 35, yeah)
No where's the place to go
Let's get on the open road
(Let's go, let's go, let's go, let's go)All the things we facing
In the world today
I gotta say
Ain't no place like America
America

Come on
All the things we facing
In the world today
I gotta say
Ain't no place like America
AmericaY'all sing
All the things we facing
In the world today
I gotta say
Ain't no place like America
America
Come on
All the things we facing
In the world today
I gotta say
Ain't no place like America
America
Come on
Let's ride, let's ride, let's ride
