

Runaway Horses

Belinda Carlisle

Can't sleep tonite I feel so shaken
Baby the wind has changed again
You came to me straight out of nowhere
Taking me where I've never been Suddenly all of my
Fences have broken
I'm cutting the reins of my life Runaway horses
Take us through the night
You and I on runaway horses
Baby hold on tight
Baby hold on tight Out on this road everything changes
No nothing never stays as same
Faith comes and goes, dreams are forsaken
We take our chances everyday I want you here with me
Pray for our destiny
Here on this mystery ride Runaway horses
Take us through the night
You and I on runaway horses
Baby hold on tight Racing through the darkness
Trying to find a light
You and I on runaway horses
Baby hold on tight
Baby hold on tight
Baby hold on tight Open my eyes, there's so much light
I feel alive when I'm with you
With every end we'll begin again Runaway horses
Take us through the night
You and I on runaway horses
Baby hold on tight Racing through the darkness
Trying to find a light
You and I on runaway horses
Baby hold on tight
Baby hold on tight
Baby hold on tight Hold on tight
Hold on tight
Hold on tight
