

The Hired Band

The Strumbellas

Riding off to the sun
On a horse with blazing guns
Mama don't come looking for me
Spinning out of control This shaky heart is young
But it's learning how to love
Mama don't come looking for me
Spinning out of control
Spinning out of control And I want you to know
That I'm a lion man
I'm a trying man
And I want you to know
That I'm a a lion man
I'm the hired band People say I'm strange
So I'm trying to make a change
Mama don't come looking for me
Spinning out of control I don't know what I am
But I'm doing the best I can
Mama don't come looking for me
Spinning out of control
Spinning out of control And I want you to know
That I'm a lion man
I'm a trying man
And I want you to know
That I'm a a lion man
I'm the hired band And I want you to know
That I'm a lion man
I'm a trying man
And I want you to know
That I'm a a lion man
I'm the hired band Singing songs of hope
But I don't know where to go
Mama don't come looking for me
Spinning out of control Troubled days are gone
But the nights are still long
Mama don't come looking for me
Spinning out of control
Spinning out of control And I want you to know
That I'm a lion man
I'm a trying man

And I want you to know
That I'm a lion man
I'm the hired band And I want you to know
I'm a lion man
I'm a tired man
And I want you to know
That I'm a lion man
I'm the hired band
