

# Swim

## Dan Croll

Yes, I'm sure that I  
Want to be here  
Won't let the waters  
Wreck this time of year  
Could it be a test today?  
Or shall we leave it all to fate?  
Don't you want to explore the depths  
That I'm willing to take?  
(Hey lover)  
Could you be close to me?  
Won't you (swim with another?)  
Take the time to cool your mind  
(Hey lover)  
Could you be close to me?  
Won't you (swim with another?)  
(Swim with another?)  
Yes, I'm sure that I  
Want to be heard today  
I'm scared that the waters you call home  
Lead you away  
Could you be alone tonight?  
Or will you leave it all to fight?  
Don't you want to explore the waves  
That I'm willing to make?  
(Hey lover)  
Could you be close to me?  
Won't you (swim with another?)  
Take the time to cool your mind  
(Hey lover)  
Could you be close to me?  
Won't you (swim with another?)  
(Swim with another?)  
(Hey lover)  
(Swim with another)  
(Swim with another)  
(Hey lover)  
Could you be close to me?  
Won't you (swim with another?)  
Take the time to cool your mind

(Hey lover)  
Could you be close to me?  
Won't you (swim with another?)  
(Swim with another?)
