Teenage Dream

Boyce Avenue

I think you're pretty without any makeup on
I think you're funny when you tell the punch line wrong
I knew you got me so you let your walls come down
Down
Before you met me I was alright but things were kinda heavy
You brought me to life
Now every February you'll be my Valentine
Valentine
Let's just talk all through the night
There's no need to rush
We can dance until we die
You and I will be young forever
You make me feel like I'm living a teenage dream
The way you turn me on I can't sleep
Let's run away and don't ever look back
Don't ever look back
My heart stops when you look at me
Just one touch, now baby, I believe this is real
So take a chance and don't ever look back
Don't ever look back
When you're around me life's like a movie scene
I wasn't happy until you became my queen
I finally found you, my missing puzzle piece
I'm complete
Let's just talk all through the night
There's no need to rush
We can dance, until we die
You and I, will be young forever
You make me feel like I'm living a teenage dream
The way you turn me on I can't sleep
Let's run away and, don't ever look back
Don't ever look back
My heart stops when you look at me
Just one touch, now baby, I believe this is real
So take a chance and don't ever look back
Don't ever look back
I'mma get your heart racing if that's what you need
In this teenage dream tonight
Let you rest your head on me if that's what you need

In this teenage dream tonight, tonight, tonight, tonight
You, you make me feel like I'm living a teenage dream
The way you turn me on I can't sleep
Let's run away and don't ever look back
Don't ever look back
And my heart stops when you look at me
Just one touch, now baby, I believe this is real
So take a chance and don't ever look back
Don't ever look back
I'mma get your heart racing if that's what you need
In this teenage dream tonight
Let you rest your head on me if that's what you need
In this teenage dream tonight, tonight, tonight
