

# Teenage Dream

## Boyce Avenue

I think you're pretty without any makeup on  
I think you're funny when you tell the punch line wrong  
I knew you got me so you let your walls come down  
Down  
Before you met me I was alright but things were kinda heavy  
You brought me to life  
Now every February you'll be my Valentine  
Valentine  
Let's just talk all through the night  
There's no need to rush  
We can dance until we die  
You and I will be young forever  
You make me feel like I'm living a teenage dream  
The way you turn me on I can't sleep  
Let's run away and don't ever look back  
Don't ever look back  
My heart stops when you look at me  
Just one touch, now baby, I believe this is real  
So take a chance and don't ever look back  
Don't ever look back  
When you're around me life's like a movie scene  
I wasn't happy until you became my queen  
I finally found you, my missing puzzle piece  
I'm complete  
Let's just talk all through the night  
There's no need to rush  
We can dance, until we die  
You and I, will be young forever  
You make me feel like I'm living a teenage dream  
The way you turn me on I can't sleep  
Let's run away and, don't ever look back  
Don't ever look back  
My heart stops when you look at me  
Just one touch, now baby, I believe this is real  
So take a chance and don't ever look back  
Don't ever look back  
I'mma get your heart racing if that's what you need  
In this teenage dream tonight  
Let you rest your head on me if that's what you need

In this teenage dream tonight, tonight, tonight, tonight  
You, you make me feel like I'm living a teenage dream  
The way you turn me on I can't sleep  
Let's run away and don't ever look back  
Don't ever look back  
And my heart stops when you look at me  
Just one touch, now baby, I believe this is real  
So take a chance and don't ever look back  
Don't ever look back  
I'mma get your heart racing if that's what you need  
In this teenage dream tonight  
Let you rest your head on me if that's what you need  
In this teenage dream tonight, tonight, tonight
