

Hands Open (Freelance Hellraiser Remix)

Snow Patrol

It's hard to argue when
you won't stop making sense
But my tongue still misbehaves and it
keeps digging my own grave with my Hands open, and my eyes open
I just keep hoping
That your heart opens Why would I sabotage
The best thing that I have
Well, it makes it easier to know
Exactly what I want with my
Hands open and my eyes open
I just keep hoping
that your heart opens It's not as easy as willing it all to be right
Gotta be more than hoping it's right
I wanna hear you laugh like you really mean it
Collapse into me, tired with joy It's not as easy as willing it all to be right
Gotta be more than hoping it's right
I wanna hear you laugh like you really mean it
Collapse into me, tired with joy Put Sufjan Stevens on
and we'll play your favorite song
"Chicago" bursts to life and your
sweet smile remembers you, my
Hands open, and my eyes open
I just keep hoping
That your heart opens It's not as easy as willing it all to be right
Gotta be more than hoping it's right
I wanna hear you laugh like you really mean it
Collapse into me, tired with joy It's not as easy as willing it all to be right
Gotta be more than hoping it's right
I wanna hear you laugh like you really mean it
Collapse into me, tired with joy It's not as easy as willing it all to be right
Gotta be more than hoping it's right
I wanna hear you laugh like you really mean it
Collapse into me, tired with joy It's not as easy as willing it all to be right
Gotta be more than hoping it's right
I wanna hear you laugh like you really mean it
Collapse into me, tired with joy
