Disbelief

touch this tender beautiful face
feel her warmth within - within me
what was the real reason
to say good bye and leave my lifeI'll it try
to walk alone
I'll it try
and all is gonedon't follow the blind
don't follow the blinda stranger in presence
walked blind through
this world
did not behold, what broke
to many fragments
walking all aloneI'll it try
to walk alone
I'll it try
to stay alonedon't follow the blind
don't follow the blind
and you'll see
and you'll see . . .
