

Who Am I

Point of Grace

I've tried to wrap my mind around the thought of you
I stretched myself so far I nearly come unglued
You hold the universe inside your hands
Still you thought of me I can't believe
Is there no limit to your love for me
As shallow as this selfish heart can be
You are the maker of reality And I stand in awe
You are God [Chorus]
Who am I
To understand your ways
Who am I
To give you anything but praise
Who am I
To try and solve the mystery
Behind the heart and soul of all that I believe
Who am I You're every reason for my heart to hope
Creator of the things I've yet to know
You are the river for my thirsty soul
You are my desire
You are God [Chorus] I am your child
I will follow, who am I?
You gave your life
For my tomorrow [Chorus]
