Touch (feat. Ryn Weaver)

BenZel

Touch my (?)
Touch my heart,
my, my heart,
my, my my heart.
Touch my (?)
Touch my heart,
My my my heart,
Touch my heart.You love me how you like,
I like the way you love me, most of the time.
Tangled in the night,
We got that sugar high babe, no come down.
Take it slow.
I never wanna trip, baby slip through a crack foundation.
Hold me close.
Don't wanna miss a beat on repeat, but my heart keeps racin'.
