Are You Gonna Go My Way

Lenny Kravitz

I was born long ago
I am the chosen, I'm the one
I have come to save the day
And I won't leave until I'm doneSo, that's why you've got to try
You got to breath and have some fun
Though I'm not paid, I play this game
And I won't stop until I'm doneBut what I really want to know is
Are you gonna go my way ?
And I got to
Got to knowI don't know why we always cry
This we must leave and get undone
We must engage and rearrange
And turn this planet back to oneSo, tell me why we got to die
And kill each other one by one
We've got to hurt and rub a dub
We've got to dance and be in loveBut what I really want to know is
Are you gonna go my way ?
And I got to
Got to knowAre you gonna go my way ?
'Cause baby I got to know, yeah
