

# Are You Gonna Go My Way

[Lenny Kravitz](#)

I was born long ago  
I am the chosen, I'm the one  
I have come to save the day  
And I won't leave until I'm done So, that's why you've got to try  
You got to breath and have some fun  
Though I'm not paid, I play this game  
And I won't stop until I'm done But what I really want to know is  
Are you gonna go my way ?  
And I got to  
Got to know I don't know why we always cry  
This we must leave and get undone  
We must engage and rearrange  
And turn this planet back to one So, tell me why we got to die  
And kill each other one by one  
We've got to hurt and rub a dub  
We've got to dance and be in love But what I really want to know is  
Are you gonna go my way ?  
And I got to  
Got to know Are you gonna go my way ?  
'Cause baby I got to know, yeah
