

# Manifest Destiny

## Heuristics Inc.

Bones are broken and the will is sunk  
How did everything get so fucked up?  
Do you want to change your mind?  
You can always change your mind You and I could quit this scene  
Build a town and then secede  
Like an Adam and an Eve 'Cause to the dreamers go the dreams  
But believers have the lead  
It's a frightening, frightening thing Born to the land of opportunity  
Of manifest destiny Do you want to change your mind?  
You can always change your mind You and I could quit this scene  
Build a town and then secede  
Like an Adam and an Eve To the dreamers go to dreams  
But believers have the lead  
It's a frightening, frightening thing The moon and stars are ganging up on the sun  
(Rebellion) Everybody, the sky is falling down  
Friends and lovers, the world is coming down Down, down  
Down, down
