

The Stranger

Billy Joel

Well, we all have a face
That we hide away forever
And we take them out
And show ourselves when everyone has gone
Some are satin, some are steel
Some are silk and some are leather
They're the faces of a stranger
But we'd love to try them onWell, we all fall in love
But we disregard the danger
Though we share so many secrets
There are some we never tell
Why were you so surprised
That you never saw the stranger
Did you ever let your lover
See the stranger in yourselfDon't be afraid to try again
Everyone goes south every now and then
You've done it
Why can't someone else
You should know by now
You've been there yourselfOnce I used to believe
I was such a great romancer
Then I came home to a woman
That I could not recognize
When I pressed her for a reason
She refused to even answer
It was then I felt the stranger
Kick me right between the eyesWell, we all fall in love
But we disregard the danger
Though we share so many secrets
There are some we never tell
Why were you so surprised
That you never saw the stranger
Did you ever let your lover
See the stranger in yourselfDon't be afraid to try again
Everyone goes south every now and then
You've done it
Why can't someone else
You should know by now
You've been there yourselfYou may never understand

How the stranger is inspired
But he isn't always evil
And he is not always wrong
Though you drown in good intentions
You will never quench the fire
You'll give in to your desire
When the stranger comes along
