

# Down Here

## Black Rebel Motorcycle Club

Take your lonesome soul  
To the place I hear  
Where your freedom comes  
And nobody cares  
Lead your woes away  
They're only here  
If you stay down here

Down here they say  
There's a game to play  
There's a place to go  
Where you learn how to pray  
No one seems to care  
But they'll give you  
A stare down here

They're gonna steal your breathe  
So give it away  
They're gonna steal your mind  
So give it away  
They're gonna steal your soul  
So give it away  
Down here
