

# I Pray On Christmas

Dave Barnes

I pray on Christmas  
That the Lord will see me through  
I pray on Christmas  
He'll show me what to do  
I pray on Christmas  
He'll help me understand  
And I pray on Christmas  
He'll take me by the hand  
I pray on Christmas  
That the sick will soon be strong  
I pray on Christmas  
The Lord will hear my song  
I pray on Christmas  
That God will lead the way  
And I pray on Christmas  
He'll get me through another day  
I pray on Christmas  
I pray on Christmas  
I pray on Christmas  
He'll get me through another day  
I pray on Christmas  
All our problems gonna be worked out  
I pray on Christmas  
God'll show us what love's about  
I pray on Christmas  
To do Your will each day  
And I pray on Christmas  
That I'll be with You in heaven some day  
I pray on Christmas  
I pray on Christmas  
I pray on Christmas  
He'll get me through another day  
I pray on Christmas  
Oh, the sick will soon be strong  
I pray on Christmas  
The Lord will hear my song  
I pray on Christmas  
That God will lead the way  
And I pray I really pray on Christmas

He'll get me through another day  
He'll get me through another day...
