

# Heaven

## Rusted Root

Aint nothin' like a bird in play  
To tickle my beard today here  
Work this way to sensuate my lips  
Oh dear, its my very first kiss  
To call upon the sermon today  
Yes, to call upon these words to say Lord, take care of myself  
Take care of myself  
Lord, take care of myself  
Take care of myself 'Cause when I, I find my way to Heaven  
I will walk it down to earth  
Yes, I will tie my shoes to Heaven  
Heaven, I will walk it down to earth Walk it down now  
Ill take good care of myself  
Walk it down now  
Ill take good care of myself  
Walk it down now  
Ill take good care of myself  
Ill take good care of myself  
Ill take good care of myself And all will rise to be in the air Well, oh dear, look at the birds in play, play  
Its twice weve, we've tangled  
Our strings today, today, yeah  
Well, dunk your toys into the sky, sugar  
Into the sun our kites will fly  
Well, oh dear, look at the birds in play, play  
Yes, to call upon the sermon today Lord, take care of myself  
Take care of myself, oh  
Lord, take care of myself  
Take care of myself 'Cause when I, I find my way to Heaven  
Well, I will walk it down to earth  
Yes, I will tie my shoes to Heaven, Heaven  
Well, I will walk it down to earth Walk it down now  
Ill take good care of myself  
Ill take good care of myself  
Ill take good care of myself  
Ill take good care of myself  
Ill take good care of myself  
Ill take good care of myself
