

# Emotional Fire

Denise

I can't wait 'til I see you baby  
I can't wait 'til the night comes fallin' down  
I gotta see you again  
And even if it couldn't be forever  
I'd trade a lifetime for this night together  
Hold on, hold on  
My heart is burning with the heat of this  
Emotional fire, every time I see you  
I'm on fire, every time we touch  
Can't you feel me burning with desire?  
Baby feel warm, give me some  
Emotional fire, emotional fire  
There's a feelin' when I'm here beside you  
Couldn't leave you and I wouldn't try to  
Baby, I'd only need you again  
There ain't nothing that can break this fever  
The love gets stronger and the passion deeper  
Hold on, hold on  
I can't let go 'cause there's no stopping this  
Emotional fire, every time I see you  
I'm on fire, every time we touch  
Can't you feel me burning with desire?  
Baby feel warm, give me some  
Emotional fire, emotional fire  
I can't wait until I see you baby  
I can't wait 'til the night comes fallin'  
Hold on, hold on  
My heart is burning with the heat of this  
Emotional fire every time I see you  
I'm on fire, every time we touch  
Can't you feel me burning with desire?  
Baby feel warm, give me some  
Emotional fire, emotional fire  
Emotional fire  
Emotional fire  
Emotional fire
