

# Radical

## Disciple

Till the day I die  
Till day I die  
Till the day I die I'll be a Radical  
It's easy too find one that will compromise  
But it's not easy to find one that's willing to stand  
But the road to hell is wide  
But to haven it's one way it's one truth it's one life  
That's why we're not ashamed of the name of Jesus  
And we don't care if the whole world sees us  
From our chains he has set us free  
And I could never repay what he has given to me  
I've been radically loved  
I've been radically changed  
By his grace I have been radically saved  
And I'll live my life no other way  
With my heart with my soul  
Till the day I die I'll be a Radical  
With my blood with my bones  
It's easy to find someone that's willing to die  
But it's not easy find someone that's willing to live  
I want to walk in his footsteps even if the world hates me  
Ready to love and not afraid to forgive  
Never ashamed of the name of Jesus  
And yeah we want the whole world to see us  
See He's burning in our hearts  
Offering mercy with outstretched arms  
Not just my mouth but let my hands speak the glory of God  
Not just my mouth but let my hands speak the glory of God
