One Of Those Days

Jerzee Monet

Everybody out there[Chorus]
Just one of those days
Feelin so much pain
Just one of those days
Wishing that things would change
Just one of those days
I'm not feeling the same
Just one of those days
Lord have mercy on me[Jerzee]
When ya feelin down and out
And have so much to talk about
Just remember the Most High
Will never pass you by
When you know a miracle
Simply coming true
Isn't it funny how we don't realize
Until it's (?)[Chorus][Talk]
I'm not blind
And I can see
I can walk, talk, hear, and breathe
Father, forgive me please
For asking for the things I don't need[Chorus][Talk]
Father, I ask You to shine Your Light down on me
For we are humbly asking You for Your forgiveness
Even though we always beg and complain on the simple things that we don't need
And forget about the others that can't
Walk, talk, hear, or see
All I'm asking you to do is
Open up your heart
And extend your hand
Turn around and say
I'm your friend
And when you know this deep in your heart
Then the war will end
And love shall begin[Repeat Chorus to fade]
