Hey Lucy

It's Like Love

Tell me what itâ€™s like to be happy
Tell me what itâ€™s like to be miserable
I never felt a thing â€˜till you loved me
And I canâ€™t feel a thing since you left me
Hey Lucy, wouldnâ€™t you like to be free of me?
And wouldnâ€™t you like to go home and see all your family and friends
Lord knows that you miss them
And you cry
It was a terrible night
And you lie
You donâ€™t want anyone to know
You donâ€™t want anyone to know
Let it go! Let it go! Let it gogogo!
Let it go! Let it go! Let it gogogo!
Let it go! Let it go! Let it gogogo!
Let it go! Let it go! Let it gogogo!
Uwo-oh

Hey Lucy, wouldnâ€™t you like to be free of me?
And wouldnâ€™t you like to go home and see all your family and friends
Lord knows that you miss them
And you cry
It was a terrible night
And you lie
You donâ€™t want anyone to know, to know
Let it go! Let it go! Let it gogogo!
Let it go! Let it go! Let it gogogo!
Let it go! Let it go! Let it gogogo!
Let it go! Let it go! Let it gogogo!
Uwo-oh

Tell me what itâ€™s like to be happy
Tell me what itâ€™s like to be miserable
I never felt a thing â€˜till you loved me
And I canâ€™t feel a thing since you left me
Let it go! Let it go! Let it gogogo!
Let it go! Let it go! Let it gogogo!
Let it go! Let it go! Let it gogogo!
Let it go! Let it go! Let it gogogo!

Let it go! Let it go! Let it gogogo!
Let it go! Let it go! Let it gogogo!
Let it go! Let it go! Let it gogogo!
Let it go! Let it go! Let it gogogo!
(Uwo-oh)
Tell me what itâ€™s like to be happy
Tell me what itâ€™s like to be miserable
I never felt a thing â€˜till you loved me
And I canâ€™t feel a thing since you left meâ€¦
