For Who You Are

Big Daddy Weave

Totally, completely
Entirely amazing
That the unseen has become seen
And is to me unfailingYou are the Lord, the Father of lights
You are God the Keeper of my heart
And I praise You, and I praise YouYou are the lover of my soul
You are the giver of the second start
And I praise You for who You areSeems too high for me to reach
To wrap my mind around the mystery
That who You are so constantly
Is who you're making me to be
