# Beautiful Tomorrow

## Beth Rowley

In the beautiful tomorrow
So much sweeter than today
In the beautiful tomorrow
Well tears will pass away
There'll be no heartache
And no pain
In the beautiful tomorrow
So much sweeter than todayIn the beautiful tomorrow
So much sweeter than today
There'll be no dark clouds
To block my gaze
There'll be no tears
Upon my face
In the beautiful tomorrow
So much sweeter than todayIn the beautiful tomorrow
So much sweeter than today
In the beautiful tomorrow
Well tears will pass away
There'll be no dark clouds
To block my gaze
In the beautiful tomorrow
So much sweeter than todayTher'll be no tears
Oh, to block my gaze
In the beautiful tomorrow
So much sweeter than todayOh, in the beautiful tomorrow
So much sweeter than today
In
Well tears will pass away
There'll be no heartache
Or pain
In the beautiful tomorrow
So much sweeter than today
