You're The Most

What's Eating Gilbert

Thursday nights seen dancing on the east end
Every time I see you shaking it, too
Catch your smile but you're surrounded by the cool guys
Wait till you pass so I can make my moveHey, where you going? (Don't follow me)
I wanna ask you (I got somewhere to be)
What if I called you? (I'd be too busy)
I wanna tell you how you look to meYou're the most beautiful girl
Yeah, you heard it all before, for me it means more
And it can go all to your head
'Cause you heard it all before, for me it means more
For me it means moreFriday nights, 2 AM, I'm at the diner
My gang and I take over the back booth
She walks in and this has to mean something
So I get up to see if she'll get downHey, where you going? (Don't follow me)
I wanna ask you (I got somewhere to be)
What if I called you? (I'd be too busy)
I wanna tell you how you look to meYou're the most beautiful girl
Yeah, you heard it all before, for me it means more
And it can go all to your head
'Cause you heard it all before, for me it means more(Shoop-shoop, shoop-shoop, woo-ooh-ooh-ooh)
