Killing Yourself

Alice In Chains

Move up from the table
Stick her arm let her go
Dropped dime on me last time
By mornin' his blood turned bold
Runnin' from the law since Monday
'Cause Suzy went down on time
Got enough to last till Sunday
So I'm burnin' on down that line
Killin' yourself
Killin' yourself
Killin' yourself
K-k-killin' yourself
Move up from the table
Fat man goin' down
Some run from the big gun
Some just run from the sound
Runnin' from the law since Monday
'Cause Suzy went down on time
Got enough to last till Sunday
So I'm burnin' on down that line, vow
Suzy was a bad child
Always on the wrong side
Ah, she was no good
She was bad, bad, bad with the bad cats
Always punchin' the needle in her arm
Ah, but when she's good, she's so damn good
Killin' yourself
Killin' yourself
Killin' yourself
K-k-killin' yourself
You're just killin' yourself
