# Requiem

## Solatrus

O great fanged mother
I call upon thee
Arise... with vengeance
and a voiceof blasphemy
(bring out your dead)
touch, taste, feel...
NO DON'T DO IT. STOP
(I'm sorry, no, I cant, please can u hear me? Help me.)
That's impossible
THAT'S IMPOSSIBLE STOP LISTENING!
"as long as you're under my roof you will respect me!"
(HELP ME STOP THEM BEFORE I DO)
"AS LONG AS YOU'RE UNDER MY ROOF, YOU WILL RESPECT ME!"
the only truth is suffering
The only Truth IS Suffering.

& it's ok to hate yourself,
just lay still don't cry for help.
every time he comes, you dissapear.
NO NO NO
RUN ANYWHERE YOU CAN
IT'S COMING
the suffering is HERE.
I'M SICK BUT I NEED MY DISEASE.
(no one is safe, nowhere is safe)
I'M SORRY, it was a mistake
someone let me out of here,
Please let me out of here,
GO AWAY GO AWAY GO AWAY
[ghost child sings]surrender is your only hope
