Every Little Thing

Profyle

Ooh, hmm, yeah
Yeah, yeahThe moment I saw you
I knew right then and there that I liked you
The moment I saw you
I knew I had to get to know youBaby, the moment I caught your eyes
I knew I had to give it a try, hmm
The moment I looked into your eyes
I knew I had to make you mine, yeahBut I didn't know that you would be so right
I didn't know that you would be so kind
I didn't know that you would be the one
To come and change my lifeGirl, I love every little thing about you, babe
Said, I love every little thing about you, babe
Girl, I love every little thing about you, babe
I'm mad about you and every little thing about you, babeThe way that you love me, so passionate, so intense, oh
The way that you love me, no one could ever compare to you
You know it feels so good when you got me deep inside, oh
I love what you do to me, you're keeping me satisfied, yeahYou know just how to do me right
You know just how to keep me satisfied
You know just how to blow my mind
And you know you're so damn fine that's why I loveGirl, I love every little thing about you, babe
Said, I love every little thing about you, babe
Girl, I love every little thing about you, babe
I'm mad about you and every little thing about you, babeIt's the way you carry yourself, you don't compare to no one else
You got this smooth, sexy thing about you
I don't know what it is that you do
What you're doing to me, girl, it's hard to believe
Knocks me off of my feet, can't you see?Girl, I love every little thing about you, babe
Said, I love every little thing about you, babe
Girl, I love every little thing about you, babe
I'm mad about you and every little thing about you, babeGirl, I love every little thing about you, babe
Said, I love every little thing about you, babe
Girl, I love every little thing about you, babe
I'm mad about you and every little thing about you, babeI love you, baby
Every little thing about you, baby, oh
