The Same Parents

Enigma

We all had the same parents
Many million years ago
Why can't we live in freedom?
Without hunger, with no war
At the beginning we all had
One mother and one father
That's where we're descending from
Attention
I don't, I don't understand
Why so much hate?
Attention
Between races and religions
It's mad, insane
I don't understand
Amazing
Why it has to be like that?
Incredible experience
We all had the same parents
Many million years ago
Why can't we live in freedom?
Without hunger, with no war
Attention
I don't, I don't understand
Why so much hate?
Amazing
Between races and religions
Incredible experience
We all had the same parents
Many million years ago
Why can't we live in freedom?
Without hunger, with no war
At the beginning we all had
One mother and one father
That's where we're descending from
We all had the same parents
Many million years ago
Why can't we live in freedom?
Without hunger, with no war
I don't, I don't understand

(We all had the same parents)
Why so much hate?
Between races and religions
(Many million years ago)
I don't, I don't understand
(Why can't we live in freedom?)
I don't, I don't understand
I don't, I don't understand
(Without hunger, with no war)
I don't, I don't understand
We all had the same parents
Many million years ago
We all had the same parents
Many million years ago
