

I See Monsters

[Ryan Adams](#)

Baby, I know you cannot hear me now
'Cause you're fast asleep
But I love you now Colors inside your head go spinning around
Like a ferris wheel
Exploding and falling to the ground Oh, people are screaming, people are screaming
My baby, she's dreaming
Oh, people are shouting, people are freaking
I'm staring at the ceiling, waiting for the feeling Oh, oh, when she calls, I know she's the one
Makes me want her harder
Makes me want to be a little stronger
Still I see monsters, still I see monsters Baby, I know you cannot hear me now
'Cause you're far away
At the speed of sound Colors inside your head go spinning around
Like a ferris wheel
Exploding and falling to the ground Oh, people are screaming, people are screaming
My baby, she's dreaming
Oh, people are shouting, people are freaking
I'm staring at the ceiling, waiting for the feeling Oh, oh, when she calls, I know that she's the one
Makes me want it harder
Makes me want to be a little stronger
Still I see the monsters, still I see the monsters
