Gone

The Bouncing Souls

I used to have home
With a room and be
A porch and a driveway
With a big garage
But I traded it in
I kept some faith
And laid my head down every night
And it seems so far awy

Remember me now 'cause things
Always change
5 Long years has gone
I've done some time
Sleeping where I fall
I know I'll never be the same

I learned somethings
About the places I saw
I learned something about myself
I guess it came the hard way
Now I know what counts
I've got one prayer
It's in your confidence
I know all the places
I don't want to be everyone's
Gone there'e no one just me

Remember me now 'cause things
Always change
5 Long years has gone
I've done some time
Sleeping where I fall
I know I'll never be the same

Remember me next time I go away
For the first time I wanna stay
I can count one hand here today
The only thing that matters to me
Anyway and it seems so far away

Remember me now 'cause things
Always change
Five long years has gone
I've done some time
Sleeping where I fall
I know I'll never be the same
