Take me for a ride
Oh yeah
I'm your hot boy all night
Taste me
Take me
Want meTaste me
Take me
Want me
Take me for a ride
Every day you want meKeep lickin'
Kissin
Tastin meTake me
Want me
Take me for a ride
Take me
Keep lickin
Kissin
Tastin me
I'm your hot boy all night
You want me
So take me for a rideHot hot hotTim stands still
Every day you want me
Tick tock
Time stands still
Every day you want me
Take me for a ride
Every day you want me
Take me for a rideEvery day you want meTake me
Time stands still
I'm your hot boy all night
Take me
Taste me
You want me
Take me for a ride
Take me for a ride
Take me for a rideKeep lickin, kissin, tastin me
I'm your hot boy
All night
Every day you want me

You want me
Time stands still
I'm your hot by all night
Taste me
Want me
Take me for a rideEvery day you want meI'm your hot boy
All day and all night

Every day you want me
Time stands still
