Bad Boyz

Hyper Crush

[Donny]
Yeah
Yeah
When I rock this beat inside the place everybody go nuts
Uh, then I seen this chick out on the floor lookin like a slut
Uh, she was a bad chick, looking like a savage
So I stepped up to it, I move it, and then I smash it[Holly]
Workin it out, doin work
I cant find my shoes and purse[Donny]
Look at these chicks, teasin us
If I can touch girl ease it up[Holly]
Look at these boys actin up
I grabbed my waist and I backed it up[Donny]
Speakin of, its heatin up
Dont stop, get it, keep it up[Holly]
Ive been staring at you all (all) night
I dont care if you aint mister (mister) right
I need a bad boy to bring me to my knees
I need a bad boy to give me what I needBad
Bad bad boys
Come with me, come with me

Until she, she was in my reach
Uh, girl Im a grown man
