

Battlefield (From "the Great Wall")

Jane Zhang

Maybe I'm not enough
I can't give you what you need anymore
Maybe it's just my luck
That I got less than what I bargained for Oh if what you feel is no longer real
I can just walk away
But don't leave me hanging
If you're unsure no more back and forth Can you help me
Tell me what I'm fighting for Please just tell me
You can be honest if I'm fighting on my own
I can't live if I'm on this battlefield alone Maybe I'm not as tough
As I used to be
It's getting to be too much
I would rather you just set me free So if what you feel is no longer real
I can just walk away
But don't leave me hanging
If you're unsure no more back and forth Can you help me
Tell me what I'm fighting for
Please just tell me
You can be honest if I'm fighting on my own
I can't live if I'm on this battlefield alone Ba-ba-ba-battlefield
Ba-ba-ba-battlefield
Ba-ba-ba-battlefield Like battlefield
Ba-ba-ba-battlefield
Ba-ba-ba-battlefield
On this battlefield alone
Ba-ba-ba-battlefield
Ba-ba-ba-battlefield
Ba-ba-ba-battlefield oh oh oh Battlefield alone Ba-ba-ba-battlefield
Ba-ba-ba-battlefield
Ba-ba-ba-battlefield oh oh oh
