

# Fill Me With the Fullness

## Housefires

Many words cannot express  
The beauty of Your holiness  
How Your image became a rest in me  
And many waters cannot quench  
The fire burning deep within  
Let Your love begin to rise in me  
We sing ohhh, oh let it rise

Ohhhh

Show me the heights and the depths  
Show me the length and the width  
Fling wide the doors of my chest  
Fill me with the fullness

Show me the heights and the depths  
Show me the length and the width  
Fling wide the doors of my chest  
Fill me with the fullness

Fill me with the fullness

Fill me with the fullness

Let Your love rise fill me with the fullness

Oh, for the grace to understand

More and more to comprehend
